Julian Farm and Orchard is proud to commemorate the 249th anniversary of the battles of Lexington and Concord, which marked the beginning of the American War of Independence, by offering a special school day as part of our annual Revolution in the Orchard re-enactment event. You and your students are invited to come experience life in the British North American Colonies firsthand and learn about the people and events that shaped the founding of our nation.

- Join the colonial militia and learn how to march and drill with wooden muskets.
- Learn about 18th century medicine, smallpox inoculations, and preventing scurvy.
- Visit the tavern to play games of the era and find out why the tavern was considered the most important feature of the community.
- Discover what foods colonists ate at home compared to soldier's rations in the field.
- Participate in a town meeting to protest against the Stamp Act, the Intolerable Acts, and taxation without representation.
