JULIAN, CALIF. (November 13, 2023) — Julian Farm and Orchard is celebrating the opening of its first-ever ice rink! The new rink is set to be the centerpiece of the “Holidays at the Farm” event, happening Fridays Saturdays and Sundays through January 1st. Guests are invited to skate with friends and family and wind down after with a seasonal drink by the fire. The farm is open from 11am to 4pm with Ice Skating into the evening depending on the day.

Holidays at the Farm will feature the ice rink as well as local food and drink vendors. For some extra space, guests can reserve a rink-side cabana with their very own fire pit. Pricing starts at just \$50/hour and can accommodate up to ten people. Food and drink packages are also available for purchase and options range from s’mores kits, charcuterie boards, and hot chocolate or apple cider. Cabanas can be rented in advance through the farm’s website.

The ice rink aligns with the farm’s commitment to sustainability. Provided by Glice, this ice-like substance requires no water and no energy. It is made of a self-healing material and

feels the same as real ice. The ice still uses real skates and guests are welcome to bring their own or rent from the farm.
